SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — ARINC Inc., of San Diego, Calif., is being awarded a \$5,729,103 cost-plus-fixed-fee, indefinite delivery, indefinite quantity contract for the evolutionary development of the Navigation Sensor System Interface (NAVSSI), to include technical support of the development of new interface and display requirements, and new NAVSSI system configurations. Tasking may also include system updates in response to fleet-generated trouble reports, to include hardware, software and firmware solutions to assigned problems. This three-year contract includes two, one-year options, which if exercised, would bring the cumulative value of this contract to \$9,826,613. The period of performance of the base contract is from January 14, 2003 to January 13, 2006. All work will be performed at the contractor's site in San Diego. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured under solicitation number N66001-02-R-5022, through the Federal Business Opportunities web site and the SPAWAR E-Commerce web site. One offer was received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-03-D-5020).
